Andy is currently in his second period of employment with Saunders Boston, sandwiching periods of employment within the University of Cambridge Estate Management and Cambridgeshire County Council's in-house Design Team, where he worked on Primary, Secondary and Special Schools projects within Cambridgeshire.

Why Andy is right for your project

Through his time working on numerous Education projects, Andy has developed an understanding of the processes involved developing and delivering projects to meet the Local Authorities and School's expectations. Andy typically provides the 'project lead' and day to day contact throughout the life of the project, a role he has undertaken on a number of Education projects as well as projects in the University and Leisure Sectors.

Education Sector Experience;

Fawcett Primary School – Following significant population growth in the Trumpington area of Cambridge the project improved and extended this existing school to create a 2 FE school with Children's Centre.

Coton Cof E Primary School – This £0.8m scheme created a new group room, pre-school and year 1 classrooms. The scheme involved close collaboration with various stakeholders and governors alongside the D&B Contractor.

Sawtry Infant, Junior and Pre-schools – Alongside Kier Construction through the LGSS framework is a multi-phased development, creating a new 2 class base pre-school, 6 new classrooms, and an extension to the school hall.

Melbourn Primary School – A £4m development that will increase the existing 1.5FE school to 2 FE. The scheme creates four new class bases, a new pre-school, additional group rooms and extends the existing studio.

St John's Primary School – £3.5m extension comprised 8 new classrooms, ICT, Library, group spaces, a new entrance and staff accommodation. Built by Kier construction the scheme achieved BREAM Very Good.
